Deer Park Hotel. DEER PARK, MD.

This famous hostelry on the superb plateau of the ALLEGHENY MOUNTAINS, known as the "GLADES," opened June 23, after a most complete renovation of the entire property, making it new throughout. The twelve private cottages were refurnished, and the thirty-third year of this beautiful mountain resort finds it more preposessing and enjoyable than at any time in its history.

The popularity of DEER PARK is due to its desirable altitude, 2,800 feet above the sea level, out of reach of malaria and mosquitoes; and its magnificent parking of 500 acres of forest and lawn, and miles of perfectly kept roadways, affords most delightful surroundings.

It is thoroughly modern as to improve-ments and equipment, with Bowling Alleys, Billiard Rooms, Tennis Courts, Golf Links, Swimming Pools, Livery, etc., and the de-lightful rooms and excellent culsine are not surpassed. No mountain resort equals it for accessibility. Only six and a quarter hours' ride from Washington, with a choice of three through trains daily, via the Baltimore & Ohlo

Fishing and Shooting. A new region, now accessible for the first time by rail, and known as the "Temagami" (pronounced Tem-mog-a-me) District, is being brought to the notice of the public as one of the finest fishing and hunting confines in Canada. Excellent sport is assured all who take advantage of a trip to this magnificent territory, which is situated 300 miles north of the city of Toronto at an altitude of 1,000 feet above the sea. Black bass, speckled trout, lath trout, wall-eyed pike and other species of fish are found here in abundance, and large game such as moose, carlbou and deer abound it the forests. A handsome booklet, profusely illustrated, giving all information, including comprehensive maps, can be had free on application to GEO. W. MOSS, Passenger Agent,
